

Hello Super Summer!

It's almost time for camp, so let's go over a few reminders. We'll be back in the **OBU Wellness Center (The RAWC)** for Summer 2025. OBU is still working hard to renovate Raley Chapel, and we're still praying for their efforts. It's not *where* we worship that matters, but *Who* we worship! We rejoice that God has made a way for us to still gather for camp.

Super Summer has a **no outside visitor** policy. Due to our evening worship relocation and more centralized late-night gathering spot, we won't be allowing visitors. We appreciate your cooperation and thank you for trusting us to make the best decisions to keep camp safe.

Dress Code Reminder

Campers, don't forget to review the dress code when packing:

- **Shorts** must be fingertip length.
- **Skirts and dresses** must be no shorter than four inches from the knee.
- **Tank tops** must cover the shoulders and not have gaping armholes.

Trends to avoid include:

- Visible undergarments
- Tight-fitting apparel
- Rips above fingertip length in shorts or jeans
- And yes, **butts out of pants — yuck!**

Super Summer Oklahoma believes that "butts in pants" is a movement that will change the world... **two cheeks at a time**. Be compliant at every level — the Lord is glorified in our obedience. Christian leaders follow the rules... **joyfully**.

Secret Assassin Game Policy

We've received several requests about a popular trend called **Secret Assassin**. While this might be fun with friends at home, we will **not** allow this game (or anything similar) during camp. Please **do not bring any toy guns, swords, or props** for fictional battles.

LARPing kids — yes, we're talking to you too.

Food Delivery Options

We will **not permit** the use of food delivery services of any kind. Any food delivered to campus will **not** be given to the student who ordered it — **even if it's your grandmother's famous meatloaf** (and yes, we know how much you love it).

Our team will *happily* consume any food that arrives at OBU this way, and we thank you in advance for your generosity.

Super Summer Gives Back Offering

When you pack spending money, don't forget the **Super Summer Gives Back Offering**. For the past two years, this offering has helped send Super Summer students on mission all around the world. Your generous gifts help advance the Kingdom of God and support your peers in ministry.

The Lord is ready to bless every gift and every giver.

Don't Forget!

Make sure to pack your **Bible, pens, and notebooks** — because **note takers are history makers!**

Bring **twin-size bedding** and all the **toiletry supplies** you'll need to survive a week away from home.

Most importantly, come with your **heart prepared to encounter the Lord**. Let's arrive at camp with great expectations — ready to be challenged and changed by God — and return home as the **salt and light** Christ has called us to be.

Final Reminder

Campers **may not leave campus** unless it's a **medical emergency** or has been **pre-approved** by the weekly camp coordinators. Camp concludes at **11:15 AM on Friday**, and students are expected to clean and move out of their dorms **before leaving**. Leaving before this is considered an early departure.

GET EXCITED!

Camp is going to be amazing. I can't wait to see all that the Lord has prepared for you.

Students, we'll see you on Monday between 1:30–2:30 PM!

High fives all around,
Jake Anson
