2021 FALLS CREEK YOUTH CAMP PRE-CAMP SCREENING & GROUP PARTICIPATION GUIDELINES

In response to our continued need to navigate our cultural landscape in light of the Covid-19 pandemic, we have a few protocols in place for those attending. These simple guidelines for participation are in line with what we are facing in and around our world every day. We thank you for adhering to and understanding the need for these guidelines in order to provide the best, healthiest camp environment possible. The guidelines included here are as follows:

Pre-camp Health Screening Guidlines ————————————————————————————————————	1
Group Leader Covid-19 Exposure Response Plan ————————————————————————————————————	<u> </u>
Pre-screening Compliance Form ————————————————————————————————————	 5
Contract Tracing Report Form ————————————————————————————————————	 6
Health-screening Questionnaire for all individuals attending with groups———	 7

PRE-CAMP HEALTH SCREENING GUIDELINES

Falls Creek Youth Camp group leaders agree to the following. Prior to leaving for the event, leaders will ask each participant to complete a health screening form to see if any of the following apply:

-Have you knowingly been exposed to or in close physical contact with anyone confirmed to have Covid-19 in the past 14 days?

Close physical contact: 6 feet or closer for 15 consecutive minutes or more in a 24-hour period.

- -Do you feel sick?
- -Have you or members of your household experienced any of the following in the past
- 14 days?
- -Fever over 100? Chills?
- -Cough or sore throat or cold/flu-like symptoms?

(fatigue, muscle/body aches, headache, congestion, runny nose, nausea, vomiting, diarrhea)

- -Shortness of breath or difficulty breathing?
- -New loss of taste or smell?
- -Are you currently waiting on the results of a Covid-19 test?

If participants answer yes to any of these questions, we require that they stay home and not attend Falls Creek Youth Camp.

Leaders, also, please encourage vulnerable individuals to consider whether they should attend the event or not.

Vulnerable individuals include:

- -The elderly
- -The immune compromised
- -Those with breathing issues (asthma, etc.)
- -Those with other health related considerations that might make them vulnerable to Covid-19

In addition to pre-camp screening:

We encourage participants to wash their hands frequently and thoroughly throughout the day, use hand sanitizer, and observe physical distancing when possible. Also, please be mindful and considerate of other participant's comfort with social distance, shaking hands, fist bumps, elbow bumps, high fives, etc.

Let's work to help keep each other healthy!

GROUP LEADER COVID-19 EXPOSURE RESPONSE PLAN

Following is the Falls Creek Youth Camp response in the case of a Covid-19 exposure while at camp:

- 1. If any participant has symptom(s) of Covid-19 listed below, immediately remove them from participation in camp activities.
 - -Fever over 100? Chills?
 - -Cough or sore throat or cold/flu-like symptoms?

 (fatigue, muscle or body aches, headache, congestion, runny nose, nausea, vomiting, diarrhea)
 - -Shortness of breath or difficulty breathing?
 - -New loss of taste or smell?
- 2. Contact parents and consider the need for medical attention and/or a rapid test. Rapid testing may be sought off grounds.
- 3. If the rapid test result is positive, the individual must return home immediately.
- 4. If a rapid test is negative and an alternative diagnosis is provided, the participant may be allowed to return to participation in camp activities, if not contagious with another illness (strep, flu, etc.).
- 5. If the participant is unable to get a negative rapid test (by availability, willingness to test, or positive result), the participant must return home immediately.
- 6. The group leader will work to identify other participants exposed to symptomatic participants.
 - -Exposure: being 6 feet or closer for 15 consecutive minutes or more in a 24-hour period.
 - -Tracking exposure begins at 48 hours prior to the sign of their first symptom.
 - -Begin to monitor these potentially exposed participants more closely.
- 7. An exposed participant is immediately removed from camp activities if the symptomatic participant's rapid test comes back positive. The Group Leader must contact parents and make plans to get the exposed participant(s) home immediately.
- 8. The group leader is responsible to report to camp leadership, using the contact tracing report form, when the symptomatic student goes home from a positive test and students leave due to exposure to the symptomatic participant.
- 9. Groups have the option of either performing contact tracing within their group and sending the appropriate individuals home or returning home with their entire group.
- 10. There are certain exceptions for not needing to leave camp after an exposure to a Covid-19 positive individual. You must be able to show appropriate documentation at that time to qualify.

VACCINATION:

• You are fully vaccinated (≥ 2 weeks following second shot in a two-shot series or of one dose of a single-dose vaccine).

PAST RECOVERED CASE OF COVID-19:

• People who have tested positive for Covid-19 within the past 3 months and recovered do not have to leave camp or be tested again as long as they do not develop new symptoms.

1. Will masks/face coverings be required?

No. At this time, masks/face-coverings are allowed and optional for Falls Creek Youth Camp according to personal preference. The Falls Creek Youth Camp Program Office will notify group leaders if this changes due to changing pandemic conditions.

2. I was not around a Covid-19 positive person, but I was around someone who was a "close contact" to a positive case. Since I am a secondary exposure, do I have to skip or return home from camp?

No. Only participants who were in close contact (6 feet or closer for 15 consecutive minutes or more in a 24-hour period) with a confirmed Covid-19 positive individual will be asked either not to attend camp or to leave camp early. We do not consider secondary exposure problematic.

3. Is my group required to leave if we have a student or adult exhibit symptoms or test positive while at camp?

No. Please refer to COVID-19 REPONSE portion (page 3) of this document.

4. Will there be testing on grounds?

No. Seek testing off grounds promptly with the onset of symptoms.

5. Are vaccinations required?

No. Although vaccinations could prove beneficial in protection against exposure, they are not required for participation in Falls Creek Youth Camp weeks.

6. How might we minimize the risk of exposure within our group?

Consider altering group behavior to minimize close contact exposure opportunities in your group. For example:

- -Shorten the length of small group interactions (segments under 15 minutes at a time)
- -Approach group activities in smaller "pods" (sleeping arrangements, small groups, meals, etc.)
- -Prohibit participants in your group from entering other cabins and other groups from your cabin

7. What other recommendations do you have?

In addition to heightened attention to cleaning habits, personal hygiene, and possible distancing behaviors when possible, leaders may want to consider daily temperature checks and health screening with their groups.

CODE OF CONDUCT FOR FALLS CREEK YOUTH CAMP

GENERAL PURPOSE

Falls Creek Youth Camp weeks are planned for students who have completed 6th through 12th grade. The code of conduct for Falls Creek Youth Camp is intended to assist the many diverse churches and students at camp to have a safe and enjoyable camp experience, while growing in their faith. Falls Creek Youth Camp is a Christian camp designed to help students and adults know and follow God, so the code of conduct prioritizes personal encouragement and issues related to a student's faith development in Jesus. Falls Creek Youth Camp does not condone or encourage any activity on grounds that would humiliate any camper, including initiation, hazing, and/or pranks. Furthermore, Falls Creek Youth Camp will not tolerate any activity that would harm any camper such as violence or abuse.

MODESTY/PDA

Believing that modesty extends beyond the dress code, Falls Creek Youth Camp asks that students refrain from PDA (Public Displays of Affection). Church sponsors should be diligent to communicate this guideline to their students.

CURFEW

At 10:15pm, all students should be back at their cabin and should not be outside their cabin without a sponsor until after 6:30am. Groups are allowed to meet around the perimeter of their cabin during late night devotional times, but a sponsor should be with the group at all times and extra care should be taken so other groups are not disturbed. Groups/individuals must be inside their cabin by 11:45pm.

VEHICLES

- Recreation vehicles for living or sleeping purposes are permitted only in designated areas and must register in advance with Falls Creek Conference Centers.
- Unnecessary and careless traffic is prohibited on Falls Creek grounds.
- Only Conference Center operated golf carts, utility carts, or low speed vehicles (LSVs) are permitted.
- Delivery trucks are not permitted during summer camp weeks except to supply Conference Center-owned concessions.
- All passengers must be seated in a vehicle according to its designated capacity—no passengers are allowed in pickup beds or in the back of vehicles with hatch doors raised.
- All cycles (uni-, bi-, or tri-) are prohibited on the grounds. Violation of this policy could result in confiscation of equipment. Motorcycles may only drive to and from the gate to their cabin or meeting place.

CELL PHONES

Falls Creek Youth Camp asks that church leaders make determinations regarding their students' use and possession of cell phones. NOTE: The majority of group leaders limit the time students are allowed to use their cell phones each day in order to cause less distraction from the camp experience.

CAMP REQUIREMENTS

- Students are required to attend both the Morning and Evening Worship Service each day.
- Sponsors from each church are responsible for enforcing the code of conduct and camp dress code for their entire group (students, sponsors, and guests) and for handling discipline issues within their group.
- Courtesy Crew will be on duty 24 hours per day. Courtesy Crew, when called upon, will assist the adult leadership of any cabin in dealing with discipline problems that may arise. Although the Courtesy Crew is specifically assigned to the duty of enforcement, all Falls Creek Youth Camp Staff members are authorized to enforce the code of conduct, dress code, and policies of Falls Creek Youth Camp. Please respect all Falls Creek Youth Camp Staff.
- Church groups must sit together at all worship services. If the group is too large to find a single location for everyone, the group should divide into smaller groups with adult sponsors in each group.
- All guests are required to show proof of registration or ID to enter or re-enter the Falls Creek grounds. Drive-in guests should leave grounds by midnight.

CAMP PROHIBITIONS

- Students will not be permitted to leave the grounds unless accompanied by a sponsor.
- No bands or instrumental groups are allowed to perform outside their cabin walls, except for groups that are an official part of the weekly programming for the whole camp.
- Excessive volume from a cabin is not permitted since it can disturb other cabins. Please check with the office, located in the Jordan Welcome Center, if there is an issue.
- No product sales are allowed at Falls Creek Youth Camp unless they have secured a contract through the Falls Creek Conference Centers.
- Use or possession of illegal drugs, alcohol, or tobacco of any type is not permitted on the grounds. This includes e-cigarettes, vaping or other facsimiles. Falls Creek Conference Centers is a smoke free facility.
- The possession of offensive weapons of any sort is prohibited at Falls Creek Youth Camp. Falls Creek Conference Centers reserves the right to perform a random drug and weapon search at any time and confiscate items that distract from the camp goals or that violate the code of conduct.
- Open flame items (other than grills) such as campfires, tiki torches, etc., are not permitted on grounds, unless prepared and supervised by the Falls Creek Conference Centers.
- Pets/animals (other than service dogs), fireworks, rock throwing, water fighting, laser pointers, and shaving cream fights are prohibited on the grounds.
- Masks or any other disguise over the face cannot be worn by anyone outside of their cabin. Face coverings, which cover the nose and mouth for medical-related purposes, are allowed at Falls Creek Youth Camp.
- For the safety of all guests, skates, roller-blades, and skateboards are permitted only in the SwiftSkate Park area and only at designated times.
- No wading or swimming is allowed in the creeks or lake unless there is a Falls Creek Youth Camp lifeguard present. No swimming/wading pools are allowed at cabins.
- No camera drones or remote controlled flying devices may be operated on grounds without expressed permission from the Director of Falls Creek Conference Centers and the Falls Creek Youth Camp Program Director.

DRESS CODE FOR FALLS CREEK YOUTH CAMP

Churches participating in Falls Creek Youth Camp should fully communicate the dress code to students before they pack and arrive for camp. While we understand the desire for fashionable attire, we require you to wear modest clothing. Modesty is a biblical principle and helps keep people focused on the important things at camp (1 Timothy 2:9-10; 4:12).

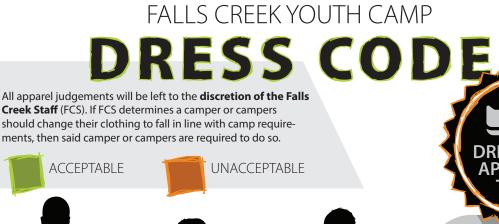

All apparel judgments will be left to the discretion of the Falls Creek Youth Camp Staff (FCS). If FCS determines a camper or campers should change their clothing to fall in line with camp requirements, then said camper or campers are required to do so.

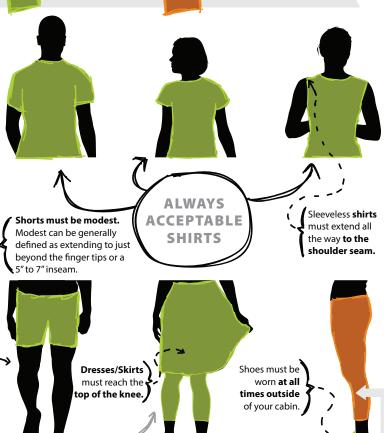

GENERAL GUIDELINES

- Shoes must be worn at all times outside of your cabin.
- Apparel may not display or promote tobacco, alcohol, controlled substances, or inappropriate language or pictures.
- Under garments must always be covered by outer garments (i.e. No boxer shorts hanging out or bra straps showing).
- Midriffs should always be covered.

- Girls may wear dresses/skirts, but they must reach the top of the knee.

GLORY.

OH, THE DEPTH OF THE

RICHES OF THE WISDOM

and knowledge

OF GOD! HOW

UNSÉARCHABLE HIS

JUDGMENTS, AND HIS

PATHS BEYOND TRACING

OUT! WHO HAS KNOWN

THE MIND OF THE LORD?

OR WHO HAS BEEN HIS

COUNSELOR? WHO

HAS EVER GIVEN TO

GOD, THAT GOD SHOULD

REPAY HIMP FOR FROM

HIM AND THROUGH HIM

AND TO HIM ARE ALL:

THINGS. TO HIM BE THE

GLORY FOREVER! AMEN.
