Series Overview | *Kings* is a series that explores the lives of four biblical kings, David, Joash, Rehoboam, and Hezekiah, who help students discover themes of faith, wisdom, and trust in God. Students will see that they have more in common with these kings than they might imagine. From waiting on God's timing, taking ownership of our faith, seeking wise counsel, and staying humble, this series will challenge students to grow and follow God wholeheartedly in every season.

Large Group Teaching Summary | Hezekiah was lauded as one of the most righteous kings Judah ever had. However, he struggled to remain faithful to God when things were going well. We can often fall into the pattern of drawing close to God when times are hard but then forgetting or neglecting our relationship with Him when things get better. Through the life of Hezekiah, we can learn that to live consistently faithful lives, we must remember all that God has done for us through Jesus.

Key Takeaway | To live consistently faithful lives, we must remember all that God has done.
